# Lice Form

Dear Parents,

Over the past several summers the occurrences of nits/lice has become a growing concern during the summer months among school age children. This summer, in order to best protect your children and insure the problem does not spread throughout our camp, we have instituted a mandatory lice check at the beginning of the first half of the summer and the beginning of the second half of the summer. Anyone found to have nits/lice will be sent home and not allowed to return to camp without proper clearance from a Professional Lice Inspector.

Session	Payment
Whole Summer	\$10
One Half	\$5
First Six Weeks	\$10
Last Six Weeks	\$5

Thank you

Amy Weinberg

Director

I, \_\_\_\_\_ (Parents name) understand the lice protocol and have enclosed my payment of

\$ \_\_\_\_\_ for my child \_\_\_\_\_ (Camper name) to be checked.
