Alfalfa, Aspartame, Beans, Bean Sprouts, Black Eye Peas, Buckwheat, Canola Oil, Caraway, Chickpeas, Corn, Corn Oil, Corn Syrup/Glucose Syrup, Edamame, Fennel, Fenugreek, Hemp, Kasha, Kimmel, Lecithin, Lentils, Licorice, Lucerne, Lupine, Millet, MSG, Mustard, Peanuts, Popcorn, Poppy Seeds, Saffron, Sesame Seeds, Snow Peas, Sorbitol, Soy, Soy Oil, String Beans, Sunflower Seeds, Tofu, Vetch, Wild Rice.

IV. Miscellaneous

Quinoa is natural and kosher, and kosher for Passover. There is concern that there might be some transfer of other chometz grains into the Quinoa. Therefore, it is advisable to only buy Quinoa with a Passover Hechsher. Pereg, Natural Earth and La Bonne have KFP supervision. This year, Pereg is producing for Passover Quinoa flour.

1. Just because it is on the Pesach shelf or section does not mean it is Kosher for Passover. Check for proper supervision. Presently, there are many products on the Pesach shelves that have Passover supervision “**Lochlei Kitniyot**” or for Sephardim, for those that eat Kitniyot. If you are a Sephardi, it is fine. However, if you are an Ashkenazi, it should not be eaten.
2. Joyva products are Kof-K certified during the year, but not for Passover as they contain kitniyot.
3. Egg Matzah should only be eaten by the elderly, sick and infirm. Some items such as crackers are in this category. Watch for KFP label.
4. If one cannot digest gluten, (wheat matzah), Oat or Spelt matzah can be ordered. To order call 732-363-8102 or call Landau’s Grocery 718-633-0633 or Kollel Supermarket 718-436-7701.
5. All eggs should be purchased before Passover.
6. Coffee – ground, unflavored, not decaffeinated–does not need supervision. Folgers and Bowl and Basket decaffeinated unflavored does not need “KFP”. Coffee filters do not need supervision.
7. Instant coffee needs supervision. Folgers regular & decaffeinated & Tasters Choice regular do not need Passover supervision. Sanka is decaffeinated coffee with KFP supervision. Starbucks VIA instant Coffee with caffeine does not need KFP.

8. Milk – fresh does not require Kosher for Passover supervision, if purchased before Pesach. If purchased on Chol Hamoed, it should have Kosher for Passover supervision. Flavored milk needs KFP supervision.
9. Nuts – raw, whole, chopped or ground (walnuts or almonds) without preservatives or additives do not need Passover supervision. Please check to ensure that the nuts were not processed in a factory that also processes “Chometz” products. Pecan pieces need Passover supervision.
10. Soda – Look for OU-P on Coca Cola (yellow cap), KP on Pepsi Cola
11. Dannon Yogurt, coffee, vanilla and plain will be produced with KFP.
12. Baby formula – many are fine, some are chometz, some are kitniyos.
13. Postum is chometz.
14. **Pet Food**- Chometz is not only forbidden to eat, but also one cannot derive any pleasure or benefit. Therefore, one cannot feed one’s pets any chometz pet food. Please check the ingredient label to ensure that it does not contain grains. This is a partial list of acceptable pet foods:
 - A. Bird foods – Pure sunflower seeds or millet, peanuts, pure alfalfa pellets or safflower seeds are fine. Most other products contain wheat or oats.
 - B. Cat food – Evangers (without wheat or grains), Friskies (canned cat foods without wheat, grains, beef and milk products combination – (formerly Friskies Buffet)- beef & liver dinner, country style, elegant entrée, mixed grill, ocean whitefish & tuna dinner, salmon dinner; Kirkland dry and canned, Prescription Diet.
 - C. Dog food – Evangers (without wheat or grains) Prescription Diet, Purina canned and grain free.
 - D. Fish food (fresh water) – freeze dried worms, krill (frozen without additives), Pro Balance
 - E. Fish food (salt water) – frozen brine shrimp, Krill (frozen without additives), Tetra Deuca bloodworms
15. Lactaid – caplets and drops may contain chometz. Lactaid milk should be bought before Pesach or buy regular milk and add the drops before Pesach. The drops or caplets should be sold with the chometz. The CRC allows non-chewable Lactaid pills.
16. Acceptable Toothpaste – Aim, Colgate, Close Up, Pepsodent, Ultrabrite
17. Acceptable Mouthwash – Colgate (all), Listerine (coolmint, freshburst, total care zero, ultra clean, zero alcohol), Scope (all), Toms of Maine
18. Acceptable Lip products – Blistex, Chapstick, Clinique, Cover Girl, Estee Lauder, Flirt, Mac, Smashbox. Many cosmetics produced by Mary Kay have chometz.
19. Acceptable Perfume – Aramis, Boss, Chanel, Charlie, Clinique, Estee Lauder, Helmut Lang, Hugo, Lacoste, Revlon, Tommy Hilfiger. The OU accepts all types.
