Dear Parents,

Welcome to the start of YISI 2020! You might have just began thinking about your summer plans, but we have been in full affect planning and scheduling the best summer yet! As we continue to work on the best upcoming summer activities, you can register your children at yisi.org/youth/day-camp. We are very excited for what the summer will hold for your children and eager for you to have them join us in an amazing adventure at Young Israel Day Camp!

As usual your children will be under the watchful and careful eye of our amazing staff as we provide them the highest level of care and support. Our entire staff is continuing to work on plans to make the summer of 2020 one your children will never forget!

We are busy planning our programs for the K'Tan Tan and Anaphim divisions. We have implemented new and exciting specialties as well as trips and exciting in-camp programming. The K'Tan Tan and Anaphim divisions have a fun day that consists of davening, swim, chinuch, arts and crafts and much more. Learning how to swim, polishing up on our arts and craft skills and having tremendous amount of fun is all in a day's work.

Our Tween division is returning for another summer. New trips and in-camp programming have perfected this division even more! Weekly outings and Chesed opportunities will show the Tweens division a well-rounded summer.

Returning for the fourth year, the Masmidim program is revamped and ready for another successful summer of learning, growing and having fun. The Masmidim division will begin their day with an intense learning program lead by energetic and knowledgeable learning Rabbeim in small group settings, followed by a day filled with league sports, activities, swimming and more.

Returning this year is our MissMiddos division which is for elementary age girls up to 5th grade. Again, this year the program will consist of camp wide specialties including dance, choir, music, scrapbooking, culinary and more! Don't forget swimming, arts and crafts and weekly trips! They will have an enhanced chinuch program to complete their fun filled day.

Of course, due to space limitations and for planning purposes, we ask that each one of you register as early as possible in order to guarantee your kids their place in our camp! Take advantage of our early bird discount and register by March 15th.

We can't wait to see all those smiling faces of your wonderful children on the first day of YISI Day Camp 2020!

Sincerely

Amy Weinberg and Rebecca Silberman
